

Btech Guru Session for all students is arranged on 23/07/2019

Btechguru is an online learning and assessment platform. Btechguru specializes in personalized learning. Btechguru.com is a portal from BodhBridge Educational services private limited. Btechguru helps students in preparing for campus placements, IBPS, GATE and academic examinations. Team from Btechguru conducted the session based on the usefulness of this platform for all SY, TY and final year students. Online test based on aptitude is also conducted for students on Btechguru and report of test is communicated to individual student. All the students are registered on Btechguru platform.
