The FOSSEE project based at IIT Bombay invited interested faculty members and students of all academic institutions across India, to eSim workshop 2019. eSim is a Free and Open source EDA tool for circuit design, simulation, analysis and PCB design. It can serve as an alternative to commercially available/ licensed software like OrCAD, Xpedition and HSPICE. IIT bombayconducted workshop on 21/09/2020 all over India. Our college NKOCET is one of the remote centres at which 18 faculties participated for the workshop.Prof. R.S. Bakare coordinated this workshop
