<p>Name: Mr. Vijay Patil</p> <p>Designation: Senior Development Manager, Dassault Systemes, Pune Lab</p> <p>Topic: Industry Post COVID and Career Opportunities</p>	
<p style="text-align: center;">Bio data</p> <p>I am passionate Mechanical engineer at heart. Like to work with machines. After post-graduation, I started my career as systems engineer at TATA Consultancy Services as part of Artificial Intelligence research group. Worked with Skytech solutions on applications for Operations Research in the airline industry. Shifted domain to CAD industry. Have been working with DASSAULT SYSTEMES for last 10 years. I am manager of assembly design module in CATIA.</p> <p>My other interests include projects for improving public transportation, solar related projects and modern agriculture.</p>	<p>Date: 25.05.2020</p> <p>Time: 12 :00 – 13 :15 Hrs</p> <p>Duration: 1 Hr 15 Min</p> <p>No of Attendees: 50</p> <p>Webinar Coordinator: Prof. Prasad N. Kulkarni Dr. Shriniwas S. Metan</p>
<p style="text-align: center;">Key points of Session</p> <p>The expert talked about various opportunities for Mechanical engineering students not just in industry as well as how can we go for masters in India as well as abroad. Also Mr. Vijay introduced a term called “Gig” to the students. Now on their will gigs for the students who are good at certain skillset. There were such many topics on which Mr. Vijay talked.</p> <p>At the end there was QA session in which students actively participated. In the discussion the expert promised to guide the students to obtain projects from industry. Vote of thanks is offered by Dr. Shriniwas Metan.</p>	<p style="text-align: center;">Student’s Feedback</p> <ol style="list-style-type: none">1. I liked the session very much. Vijay sir talked about how we can work on industry projects even before completion of graduation.2. I came to know about new term called ‘Gig’3. Vijay sir has measured student’s capacities in terms of ‘Dhoni type of students’ and ‘Sachin type of students’, that was very much relatable.

Zoom interface showing a presentation slide titled "Gig Economy". The slide content includes:

- temporary positions are common and organizations hire independent workers for short-term commitments
- Your skills are shared.
- Small amount but many gigs

On the right, a "Participants (50)" list is visible, showing names like Namrata K, Nilesh Udgiri, Nitin Patil, Om, onkar jambhale, Pallavi Gavali, and Pradnya Bagul. A "Participants" menu is open, showing options like "Invite".

At the bottom of the slide, there is a "Vijay Patil's screen" indicator and a "Bhawana Shinde" video thumbnail.

Recording... Remaining Meeting Time: 07:17 | Upgrade to Pro 00:52:53

Dhoni

Fundamental engineering concepts

Scrap collection and foundry, Equipment repair

Practical experience and networking

Vendor comparison, Design and 3D Printing

Wet waste composting plant
