Artography is the art section of Aura-2020 nurturing the talent of emerging engineering student artists and art to create a more creative world.

There are several forms of Visual art like Painting, Sketching, Drawing & Photography. Artography is a combination of all of them.

Here we are creating Art and eager to share our knowledge with everyone. Art has no boundaries. It has no limits and it is always open for exploration. We seek unleashing the creative spirit and having the artistic capability of a student.
