

Meet the Foundation program at La Fondation Dassault Systems, Pune

Our Institute NK Orchid College of Engineering and Technology has presented today our Solar Research Centre in the Meet the Foundation program of La Fondation Dassault Systems across globe. From INDIA, France and USA has presented one project each. We have been given to represent India on this Global Meet. All Dassault Systems employees across globe USA, France and India were present online for this program.

We are very much thankful to Mr Hemant Gadgil Sir for his support throughout. We thank our Principal Dr J B Dafedar Sir for valuable support and guidance. We thank Prof S SKale, Prof C V Papade, Prof D D Bhoge, Prof B R Birajdar and 18 students from Mechanical Engineering Department.

We have lot of opportunities in Solar and other domains in future with Dassault Systems. We have a very fruitful discussion with their core team and CEO Mr Sudarshan Mogasale for future work in Solar.

Proud moment for NKOCET

Regards,

Dr Shrinivas S Metan

Solar Research Centre Incharge
