How to practice

- Revision (daily 10 problems of previous subjects)
- PREVIOUS YEAR GATE PAPERS
- Practice a lot of test series, so you can make yourself comfortable with final GATE exam
- Analyze your test in a way you know your weakness and strengths
- Prepare short notes and keep revising and updating it
- Prepare notes to write all the mistakes you do in test series/solving problem sets/don't remember any formula anything which you can revise daily
- Do above two things after seeing previous year once.

2nd, 3rd year student's preparation :

- Build the basics from reference books / NPTEL / any good institutes lecture series
- Make proper notes
- Solve previous year questions
- Consistency is the key, do little but keep it continuous
- Have some patience, this is a marathon and not a sprint
