

Report on Motivational Talk by Prof. A.D. Joshi

My Goal My Way

Today NK Orchid College of Engineering and Technology Solapur and ADJ Infotech has signed MoU for the Skill development and Industry Partnership in future. Our 16 students are already undergoing Software Programming Course for Aircraft Building in ADJ Infotech from last week. In the Morning **Prof A D Joshi** Sir has addressed our students on **My Goal My Way**. It was really an inspirational journey and lots of inputs are given to the students for their successful career by Prof.A D Joshi Sir.

Total 384 students on the Microsoft Teams and 124 on you tube were present online for this session. Prof A D Joshi visited to each Department and understood the strengths and current happenings. He was impressed with our efforts. Thanks to Principal Sir and all involved in this program.
