

	<b>Name :</b> Prof. Veeresh.A.Salimath	
	<b>Designation:</b> Assistant Professor	
	<b>Qualification:</b> B.E. (Civil), M.Tech. (Transportation Engineering)	
	<b>Email-id</b> : <a href="mailto:veereshsalimath@orchidengg.ac.in">veereshsalimath@orchidengg.ac.in</a>	
	<b>Mobile No. :</b> 9980988076	
	<b>Age :</b> 36	
	<b>Total Experience:</b>	07 Years
	<b>Teaching</b>	06 Years
	<b>Industry</b>	01 Years
	<b>Area of Interests:</b> Transportation Engineering, Pavement Design.	
<b>Education:</b>		
<b>Masters:</b> M.Tech. (Transportation Engineering) from V.T.U, Belgaum		<b>Bachelors:</b> B.E. (Civil) from V.T.U, Belgaum
<b>Date of Joining this Institution (NKOCET):</b>		28/06/2016
<b>Subjects Taught</b>		
<b>At UG Level</b>		
1. Transportation Engineering		
2. Pavement Design		
3. Pavement Materials		
4. Railway Engineering		
5. Surveying		
<b>Project Guided</b>		
At UG Level : 04		
<b>Software Proficiency</b>		
		Auto Cad-2007
<b>Conferences / STTP /FDP/ Workshops</b>		
		1. One Week Workshops – 02
<b>Major Portfolios handled at College/ Department / University level</b>		
1. POE Coordinator		
<b>Research and Publications</b>		
Conferences - 01		
<b>Link to personal website/Blog (If any)</b>		

## **Thesis Guided:**

➤ **At UG Level:** Guided on thesis entitled

1. “ Widening Of Intermediate Lane Road To Two Lane Road”
2. “Stabilization of Black Cotton Soil Using Plastic Granules as a Subgrade Material”
3. “Up gradation of Two Lane Pavement To Four Lane Cement Concrete Pavement”
4. “Effect of Fly Ash And Stone Dust On The Strength Characteristics Of Expansive Soil”
