Microsoft Teams interface showing a meeting in progress. The main content area displays a PowerPoint slide titled "Innovation and Improvement Techniques". The slide lists several techniques:

- KAIZEN
- KANBAN
- LEAN
- TRIZ (Theory of Inventive Problem Solving)
- ... and many more

A callout box on the slide says: "Suggestion - Have awareness of atleast one Technique." A notification at the bottom of the slide area states: "Your microphone is muted." The right sidebar shows the "People" list with 103 participants currently in the meeting. The bottom status bar indicates the time is 4:28 PM on 15-09-2021.

Microsoft Teams interface showing a meeting in progress. The main content area displays a PowerPoint slide titled "Innovation Levels". The slide is divided into two sections:

- Continuous Improvement**: Includes an image of various cameras and the text "EVOLUTION OF THE CAMERA".
- Complete Disruption**: Includes an image of modern smartphones.

The right sidebar shows the "People" list with 108 participants currently in the meeting. The bottom status bar indicates the time is 4:33 PM on 15-09-2021.
