Subject: Invitation as an expert for Workshop on "*Website development using Wordpress*" to SE CSE Students.

Dear Sir,

Department of Computer Science and Engineering has started in the year 2008 with UG and PG Programme to produce innovative world-class computing engineers for the betterment of society. CSE Department has made a remarkable contribution in placement, high quality training, education and competence in IT domain through best-in class faculty and facilities.

It gives me a great pleasure to invite you as an expert lecture on "*Website development using- Wordpress*" to SE CSE Students on dt.11th October 2019. In this regard we cordially invite you to be our distinguished expert. Your lecture will inspire and motivate our students to renew their noble ideas.

Kindly accept our invitation & oblige.

Thanking you,

Yours faithfully,

11/10/2019.

Hi Sir,

Please find the schedule for the recruitment process to be conducted on 17-05-2021 for Software Development Engineer and Program Analyst.

1. Pre-placement talk (Duration: 45 minutes)
2. Screening Process: Students will have to take the following tests & clear each of them successively.
 - - Online English Language Test
 - Online Aptitude Test
 - Online Java Test

The pre-placement talk will be scheduled for 11:00 am and the screening process will begin at 12:00 pm.

All the above screening tests will be computer-based tests & the test links will be sent at the personal email ids of students provided by you. Upon clearing the above tests, shortlisted students will have to attend a "Final Interview". Selected candidates will be made an offer to come work with us.

Please reach out to me in case of any queries or concerns.

Regards,

modak**Nikita Chavan**

Subject: Webtech online recruitment process
To: TPO NKO CET <tpo@orchidengg.ac.in>

Hello Sir,

We would like to recruit students from your 2021 batch. The campus recruitment process will be conducted online. Please inform all students who are interested in working at Webtech developers to refer to our website about company details. www.webtechdevelopers.com.

A successful candidate must pass 4 rounds. All rounds will be performed online.

1. Online Aptitude Test
2. The written test will be immediately given to students who pass the aptitude test
3. Technical round
4. HR Interview

Students may take the test for one of the following job openings.

- C#.NET Developer - C and C++ questions. 80 minutes.
- Android Developer - Android questions. 60 minutes.
- Web Developer - ASP.NET and SQL questions. 60 minutes.
- Software QA testing- Testing concept questions. 50 minutes.

All tests will begin on Saturday, 9 January 2021 at 10:30 AM.

The test can be taken by visiting the following webpage:

<http://www.webtechdevelopers.com/campus>

There is no negative marking. Back options and refresh page is not allowed.
