

CERTIFICATE OF PARTICIPATION

Awarded to

Anil Chinchawade

From N. K. Orchid College of Engineering and Technology

For attending a session

“Emerging Processes in Product Design and Development”

As part of Webinar Series

To Guide Students to Select Meaningful Engineering Projects

April 30, 2020

Hemant GADGIL

Executive Director

Dassault Systemes Foundation, India

CERTIFICATE OF PARTICIPATION

Awarded to

Chinchawade Anil

From N. K. Orchid College of Engineering and Technology

For attending a session

“Create Your Future Through Impactful Projects”

As part of Webinar Series

To Guide Students to Select Meaningful Engineering Projects

June 11, 2020

Hemant GADGIL

Executive Director

Dassault Systemes Foundation, India

CERTIFICATE OF PARTICIPATION

Awarded to

Anil Chinchawade

From N. K. Orchid College of Engineering and Technology

For attending a session

“Launching new Product in 100 days from concepts to Manufacturing”

As part of Webinar Series

To Guide Students to Select Meaningful Engineering Projects

June 18, 2020

Hemant GADGIL

Executive Director

Dassault Systemes Foundation, India

CERTIFICATE OF PARTICIPATION

Awarded to

Anil Chinchawade

From N. K. Orchid College of Engineering and Technology

For attending a session

“Applications of AI and ML in core engineering Streams”

As part of Webinar Series

To Guide Students to Select Meaningful Engineering Projects

June 25, 2020

Hemant GADGIL

Executive Director

Dassault Systemes Foundation, India

CERTIFICATE OF PARTICIPATION

Awarded to

Chinchawade Anil

From N. K. Orchid College of Engineering and Technology

For attending a session

“Rural Eco System : Gold Mine of Opportunities for students to make a mark”

As part of Webinar Series

To Guide Students to Select Meaningful Engineering Projects

May 28, 2020

Hemant GADGIL

Executive Director

Dassault Systemes Foundation, India

CERTIFICATE OF PARTICIPATION

Awarded to

SNEHA JEURKAR

From N K Orchid College of Engineering & Technology, Solapur

For attending a session

“Applications of AI and ML in core engineering Streams”

As part of Webinar Series

To Guide Students to Select Meaningful Engineering Projects

June 25, 2020
