## TO WHOMSOEVER IT MAY CONCERN

It is to certify that Mr. Mahesh V. Nagmal has completed a Six-month internship as a Trainee software Engineer with 3B Auto Components Private Limited, from 1<sup>st</sup> March 2021 till 30<sup>th</sup> August 2021.

He worked under the direct supervision of the Project Manager and got the opportunity to work on various projects. Along with his other duties, he was responsible for managing the timelines of the projects he was working on ERP/Website/Chatbot. This project was aimed to reduce manual work at industry. As part of the project, he has trained following technology

- |                |                                 |
|----------------|---------------------------------|
| 01. HTML       | 06. Microsoft Azure BOT Service |
| 02. CSS        | 07. Microsoft QnA Service       |
| 03. JS         | 08. React JS                    |
| 04. Angular JS | 09. React Native                |
| 05. CHATBOT    | 10. SpringBoot                  |

During his internship his manager is pleased with him timely highlighting and managing of any delays, which could have affected the project completions.

He is a fast learner, and he learned our operations system and organizational culture quickly. With his eagerness to learn, he developed various skills while working with us. His team working skills and friendly nature made him a part of our organization even during the first week. He outdid the expected performance, and we are happy to have the opportunity for training such an enthusiastic candidate. We hope to hire him once he completes his education so that we can utilize his potential to the fullest for the benefit of our organization.

We wish him the best of luck for all his future endeavors.

Regards,

Mr. Mahesh D. Sudhakar (M.D)
