Well Book Bank doesn't accept books when we get ample amount of time. due to its restricted time, student some times misses his/her bus and travelling again becomes very inconvenient.

Encourage all to communicate in English teachers as well as students (Compulsory in campus), Provide Wifi zones in colleges at each department, try to arrange english learning workshops for fluency in speaking, Provide internship opportunitites for students

Rest of all things are excellent.....

Librarian who provides book bank are very lazy they are not providing books fast. They do their work very slow and timing we have for book bank is only in recess time and after college time where we have to catch our buses. So if we wait for books our bus might gone.

Provide good quality of projectors,make road for vehicle inside the campus, provide wifi for student which directly access from mobile.
