1.4.1 Institution obtains feedback on the academic performance and ambience of the institution from various stakeholders and action taken report on the feedback is made available on institutional website

- Questionnaires for different stakeholder's viz. students, parents, alumni, industry, are prepared and circulated to the stakeholders. During COVID and onwards these feedbacks are collected online. Feedback obtained is analyzed and the various requirements of the stakeholders are understood and incorporated. Feedback on every course is also taken at the mid of semester (offline feedback) and at the end of semester(online feedback). After feedback, it is communicated to each faculty and asked for corrective action if required and it is mentioned by faculty on feedback report. End sem feedback is taken to review corrective action taken by individual faculty. Feedback from student is also taken on facility.
- Feedback from various stakeholder is collected and action is taken and displayed on website.
