### 3.3 Research Publications and Awards

#### 3.3.1 Number of research papers published per teacher, in the Journals notified on UGC CARE List during the last five years.

##### 3.3.1.1. Number of research papers in the Journals notified on UGC CARE list year wise during the last five years

At the NK Orchid College of Engineering and Technology Solapur, every department promotes a culture of research among the Faculty and Students and supports on-going excellence in Engineering Teaching. This platform offers a venue for the display of academic talent and encourages communication between academic institutions. We may become experts on any subject via research, and writing about it allows us to retain what we have learned and comprehend it more deeply. As a result, research articles are crucial to our area and to us. Early research paper writing proficiency will be useful to us throughout our lives. The number of research papers written by professors from various departments and published in journals over the previous five years is given in table below.
