• **Report:** On the occasion of NSS Day on 24th September 2018, our NSS unit organized an essay writing competition on the topic "Swachhata Hich Seva," which means cleanliness is service. The competition was aimed at creating awareness about the importance of cleanliness and hygiene among the students and promoting the message of cleanliness as a service to society.

The competition was open to all the students of our institute, and many students participated enthusiastically. The essays were evaluated based on their content, creativity, and clarity of expression, and cash prizes were given to the winners.

The essay competition was a great success, with many students expressing their thoughts and ideas about the importance of cleanliness and its impact on society. The competition helped in sensitizing the students towards the need for maintaining cleanliness and hygiene in their surroundings and the role that they can play in creating a cleaner and healthier environment.

The event was an excellent platform for the students to showcase their writing skills and creativity, and it provided an opportunity to engage in constructive and meaningful dialogue on a crucial social issue.

Overall, the essay writing competition organized by our NSS unit on the occasion of NSS Day is an excellent initiative to promote awareness about cleanliness and hygiene among the students. The competition has helped in instilling a sense of responsibility and commitment towards creating a cleaner and healthier environment, and the cash prizes have encouraged the students to participate actively in such events. The event has been a great success, and we hope to organize more such events in the future to create a positive impact on society.

- **Venue:** NKOCET Ground
- **No of Participant:** 55
- **Report:** On August 15th, 2019, the NSS (National Service Scheme) team, along with students, faculty members, and staff members from your institution, organized a "Tree Plantation" event to celebrate Independence Day. The event was aimed at promoting environmental sustainability and creating awareness about the importance of planting trees.

A total of 20 trees were planted during the event. It's worth noting that the type of trees that were planted could have a significant impact on the environment, depending on their species. For example, some species of trees are more effective at absorbing pollutants from the air, while others are better at stabilizing soil and preventing erosion. Without knowing the species of trees that were planted, it's difficult to say exactly what benefits they will provide, but it's safe to say that any newly planted trees can have a positive impact on the environment.

The event was likely a great opportunity for the participants to get involved in a community activity that benefits the environment, as well as a chance for them to connect with one another outside of their normal routines. Overall, the "Tree Plantation" event was a positive step towards promoting environmental sustainability and raising awareness about the importance of taking action to protect our planet

- **Report:** Jal Shakti Abhiyan is a mission launched by the Indian government in 2019 to ensure water conservation, preservation, and management. The mission is aimed at creating awareness among the masses and promoting people's participation in water conservation efforts. One of the objectives of the mission is to make India free from single-use plastic.

To promote the Jal Shakti Abhiyan and the cause of making India free from plastic, the CSESA team of a college celebrated a Swachhta Abhiyan from 1st to 15th September 2019. The Swachhta Abhiyan involved various activities aimed at creating awareness and encouraging people to take action towards a cleaner and more sustainable environment.

The activities included paper bag making, where students and faculty members were taught to make paper bags as an alternative to single-use plastic bags. The Swachhta Abhiyan also involved a waste-in-use campaign, where waste materials were recycled and reused to make useful items like furniture, art pieces, and household items.

To continue the efforts towards water conservation and plastic-free India, the college formed a Jal Shakti Team comprising students and faculty members from each department. The team was tasked with organizing more activities and spreading awareness about the cause in the college and the surrounding areas.

Overall, the Swachhta Abhiyan and the formation of the Jal Shakti Team were excellent initiatives towards creating a cleaner and more sustainable environment. These efforts not only helped in promoting the cause of water conservation and reducing plastic usage but also instilled a sense of responsibility among the students towards the environment.

- **Report:** The Swachhta Pakhwada-2020 was observed with various activities from January 16th to January 30th, 2020. It is essential to spread awareness and initiate the quest for cleanliness with oneself, their family, their locality, village, and workplace.  
Taking the Swachhata Pledge on January 16th, 2020 was an excellent way to kickstart the campaign. It is crucial to involve everyone, including students, faculty members, and staff, to promote cleanliness.  
Cleaning the campus and nearby areas on January 17th, 2020, by the NSS team and housekeeping staff was a great initiative. It is essential to keep our surroundings clean and hygienic, which promotes good health.  
The Poster presentation competition on the topic "Single Use Plastic" organized by the NSS group on January 30th, 2020, was a fantastic opportunity for creative engineers to showcase their skills. Many students' participation shows the enthusiasm and interest among the students to promote a cleaner and greener environment. The winners' declaration and the issuance of certificates were an excellent way to appreciate and encourage the participants.  
Overall, the Swachhta Pakhwada-2020 observation and activities conducted during the period of January 16th to January 30th, 2020, were remarkable initiatives towards promoting cleanliness and awareness among the community.

- **Report:** The Civil Engineering Student Association (CESA) of N.K. Orchid College of Engineering and Technology Solapur organized a tree plantation drive under the "CLEAN INDIA GREEN INDIA" campaign. The event was held at the college's ground, and approximately 60 students, 20 faculty members, and 6 peons were present for the activity.

The purpose of the drive was to create awareness about the importance of tree plantation in promoting a clean and green environment. During the activity, the participants were informed about the "CLEAN INDIA GREEN INDIA" campaign and the importance of tree plantation for our environment. The students were also made aware of the benefits of trees, such as reducing pollution, providing shade, and maintaining a healthy ecological balance.

The students and faculty members worked together to ensure that the saplings were planted correctly and in a way that would enable them to grow well.

The tree plantation drive organized by the CESA was a success, and it provided a great opportunity for the students and faculty members to come together and contribute to a noble cause. The event helped in creating awareness among the participants about the importance of tree plantation and the need to promote a clean and green environment. The activity also highlighted the role that each of us can play in making a positive impact on our environment and creating a sustainable future.

- **Report:** On 10th June 2022, Art Exhibition was organized at N.K. orchid college of engineering and technology Solapur. An Art Exhibition on the theme "Nature" by NSS Unit is a wonderful opportunity to celebrate the beauty and diversity of the natural world through the creative expressions of artists. The National Service Scheme (NSS) is a youth-based organization in India, which aims to develop the personality of the students through community service, leadership, and social awareness activities.

The theme "Nature" is a broad and inclusive one, allowing for a wide range of interpretations and artistic expressions. Nature has been a subject of artistic representation since the beginning of human civilization, and it continues to inspire artists across various disciplines and mediums.

The art exhibition can feature works of art from a variety of mediums, such as paintings, drawings, sculptures, installations, photographs, and digital art. The exhibition can showcase works of both established and emerging artists, including students and faculty members of the institution.

The exhibition can be organized in a gallery space, a courtyard, or an open-air venue, depending on the availability of space and resources. In addition to the exhibition, the NSS Unit can also organize a series of workshops, talks, and activities that engage visitors and create a platform for dialogue and learning. The activities can include nature walks, bird-watching sessions, eco-friendly art workshops, and discussions on sustainability and conservation.

- **Objectives/Outcomes:** To create awareness about the cleanliness among students.
- **Date:** 1/10/2022
- **Venue:** NKO CET Campus
- **No of Participant:** 20
- **Report:** On 1/10/2022, in commemoration of the Birth Anniversary of Mahatma Gandhi, the NSS (National Service Scheme) unit organized a Swachh Bharat Abhiyan at the NKO CET, Solapur. The Swachh Bharat Abhiyan is a nationwide cleanliness campaign aimed at promoting cleanliness, hygiene, and proper waste management.

For this event, 20 enthusiastic NSS volunteers expressed their interest in participating and contributing to the cleanliness of the campus. Their main task was to clean the campus by segregating plastic waste and other types of waste. The volunteers played a crucial role in raising awareness about the importance of cleanliness and waste management. They actively engaged in activities such as collecting garbage, sorting waste into appropriate categories, and disposing of it properly.

Segregating plastic waste from other waste is particularly significant as it enables effective recycling and reduces the environmental impact of plastic pollution. The volunteers likely ensured that plastic waste was separated from other waste materials, such as paper, organic waste, or metals, to facilitate recycling and proper disposal.

By actively participating in the Swachh Bharat Abhiyan, the NSS volunteers demonstrated their commitment to the ideals of Mahatma Gandhi, who emphasized cleanliness and hygiene as an integral part of social responsibility. The event served as a platform to instill a sense of civic responsibility and environmental consciousness among the NSS volunteers and the larger campus community. It created an opportunity for individuals to contribute to the cleanliness of their immediate surroundings and inspire others to follow suit.

The Swachh Bharat Abhiyan at NKO CET, Solapur campus, not only aimed to clean the premises but also aimed to foster a culture of cleanliness and sustainable waste management practices. It reinforced the importance of maintaining a clean and healthy environment for the well-being of everyone.

The event likely included awareness campaigns, discussions, and interactive sessions on the significance of cleanliness and waste management. Such initiatives
